## Welcome Message

I am happy to learn that the ConferenceSeries Ltd is organizing the **9<sup>th</sup> Annual European Pharma Congress**, in June 26-28, 2017 Madrid, Spain.

It is a great pleasure to meet multi-disciplinary group of scientists from around the world to present and share most recent advances in major areas of pharmacology and related sciences.

I strongly believe that the Congress will contribute to the development of our amazing science and give a push to

recent advances in major areas of pharmacology and related sciences.

I strongly believe that the Congress will contribute to the development of our amazing science and give a push to new international linkages and joint researches.

The scientific program will provide an excellent opportunity for participating scientists to exchange new ideas and information on many issues covering Pharmacognosy and Phytochemistry, Pharmacological Sciences, Drugs and Regulations, Pharmaceutical Chemistry, Types of Pharmaceutical Formulations, Nanotechnology, Novel Drug Delivery Systems, Bio-Pharmaceutics, Bioinformatics, Genetics & Genetic Engineering, Pharmaceutical Packaging, Radiopharmaceuticals, Hospital Pharmacy, Industrial Pharmacy, Ethics in Pharmacy, Pharma Consulting & Services and other aspects of pharmaceutical Sciences. High standard plenary and keynote lectures will be provided by outstanding scholars invited from prestigious research centers. The Congress will be an excellent occasion for the participants to make new acquaintances and strengthen networking and research collaboration. As always, the Organizing Committee is sincerely making full efforts to feature wide-ranging scientific program to ensure that you are up-to-date with the latest developments on current research in general fields of rapidly growing pharmaceutical sciences.

I hope that during three days multiple trails of new knowledge will be actively explored by participants and merged into new Broadway of advances and breakthrough in relevant field of pharmacy.

On behalf of University of Greenwich & Herbal Analysis Services UK, I am pleased to welcome all participants to enjoy a rich, varied and attractive scientific and cultural program. I cordially wish you benefit from pleasant interaction with colleagues and carry home good memories of the 9th Annual European Pharma Congress

*Regards*
